

# PERU – QUELLAVECO

In July 2018, Anglo American approved the development of the Quellaveco copper project in Peru. We will deliver Quellaveco on time and on budget, with first copper production during 2022. Inspired by our purpose to re-imagine mining to improve people’s lives, we are committed to ensuring beneficial co-existence with host communities and to working collaboratively with our suppliers, communities and partners to ensure the development of thriving, healthy and inclusive communities beyond mining. In striving to ensure that our host communities are sustainable beyond life-of-mine, we place an emphasis on progressively increasing levels of procurement from local suppliers, supported by our supplier and enterprise development initiatives.

## SUMMARY – 2019

<b>1</b> Operation	<b>400</b> Employees
	<b>~17,000</b> contractors during peak construction phase
<b>1</b> Fatality	<b>0.91</b> TRCFR

people are provided with access to water

## ASSET BREAKDOWN

### QUELLAVECO

● BUSINESS AS USUAL ● LOCKDOWN ● CV19

\* Estimated number of beneficiaries from our socio-economic initiatives.

## ACTIONS IDENTIFIED FOR SUPPORTING THE RESPONSE TO COVID-19

In Peru, Anglo American is working to identify additional actions to support communities in the response to COVID-19 during lockdown and beyond. Quellaveco’s contribution to the COVID-19 response includes:

### Nutrition

Distribution of 15,500 non-perishable food packages to vulnerable families in Moquegua, Torata, Samegua, Ilo, El Algarrobal and Sanchez Cerro.

Distribution of breakfast and lunch packs to the police, medical workers and army personnel

Distribution of 3,000 fresh food packages with agricultural products to vulnerable stakeholder groups

### Health care support

Provision of medical PPE such as masks (43,000), disposable gowns (1,000) and gloves (33,000)

Offering two vehicles to help transport health personnel

Donation of six intensive care units, consisting of: ICU bed, life support ventilator, vital signs monitor, volumetric infusion pump, manual resuscitation pump

Sponsorship of fumigation campaigns in coordination with local fire departments for four months
